# MICHAEL KRISTIAN MAGSINO

Murrieta, CA | michaelmagsino1999@gmail.com | (949) 351-8122

I believe that technology has the power to improve lives when applied thoughtfully and effectively. As a recent Creative Technologies graduate from UC Santa Cruz, I am eager to use my visual designs to support organizations that are working to make a difference in healthcare and beyond.

## WORK EXPERIENCE

**Creative Strategy and Content Creation Lead** *Toronto, Canada (Remote)*
Sukoon Cares | Healthtech Startup June 2025 – March 2026

- Recognized that the brand's Instagram lacked visual clarity and consistency, driving low engagement; proposed this diagnosis to the CEO and pivoted future projects to focus on aligning the social media presence with the brand identity
- Established brand identity by creating logos and a color scheme and put it into a brand guideline, accelerating the website launch timeline by 1.5 months
- Designed and published 25 social media posts using Adobe Illustrator and Canva across Instagram and LinkedIn, driving a 24% increase in followers
- Identified a gap in connecting users to mental health advisors; created and deployed 3 targeted email campaigns for current and prospective users, driving a 30% increase in connections
- Proactively ran weekly syncs with a 5-person team, including the CEO, to align on priorities and reduce overcommunication via Telegram, making 3 projects 3-4 days ahead of schedule
- Documented and handed off social media brand guidelines to the incoming Content Creation Lead, cutting onboarding time from an expected 3 weeks to 1 week

**Dean's Student Leadership Board Representative** *Santa Cruz, CA*
University of California, Santa Cruz December 2024 – June 2025

- Designed 15 social media graphics for departmental campaigns (exhibitions, guest speakers, films), driving a 15% increase in engagement and followers
- Produced a video for a donor campaign that secured $10,000 in funding for the arts department
- Led a team of 20 students and faculty to expand art department events to non-arts students, increasing attendance by 12%
- Advocated to the Dean of Arts for greater visibility and promotion of the Creative Technologies major within the Art Division; proactively recruited by reaching out to 10 prospective students through the program advisor and Discord, resulting in 6 new applications

## EDUCATION

**University of California, Santa Cruz** *Santa Cruz, CA*
B.A. in Creative Technologies, Magna Cum Laude Fall 2024 – Spring 2026
GPA: 3.98/4.0 | Dean's Honor List (all quarters) | Dean's Student Leader Scholarship recipient, 2024–2025

- Co-founded and grew a Discord community for the Creative Technologies major from 20 to 76 students, implementing a ModMail bot for 3–10 minute staff response times and an internship channel that helped 3 students secure internships

## VOLUNTEER WORK

**Library Volunteer** *Temecula, CA*
Library Systems & Services, LLC September 2022 - August 2024

- Supported daily library operations and patron services, ensuring smooth access to resources and materials for the community.

**Donation Ambassador** *Hemet, CA*
T.H.E. Center & Health Services April 2026 - June 2026

- Helped build community connections and secure donated items and support from local and national businesses.

## SKILLS
